

## A Note To Our Guests, June 2020

Because of the COVID 19 pandemic we have implemented new policies and procedures to ensure the safety of our guests and staff. These policies are based on information from our local public health authority as well as provincial and federal guidelines.

As a guest, we ask that you help us by agreeing to the following:

- If you are feeling ill or have any symptoms of COVID19, please **DO NOT** enter the pub
- If you have travelled outside of Canada in the last 14 days please **DO NOT** enter the pub
- If you have been in close contact with a confirmed or probable case of COVID19 **DO NOT** enter the pub
- Sanitize your hands upon entry using the hands-free sanitizer dispenser
- Maintain a distance of 6 ft(2m) from staff and guests not in your party
- Remain at the table where we have seated you
- If you need to use the washroom, please follow the directional arrows on the floor

We thank you for your co-operation during these difficult times and look forward to the return of handshakes and hugs.
